## Pewter series

# Cabernet Sauvignon

VINTAGE 2017

The Pewter series is the definition of premium, embodying our style ethos; wines that taste as good as they look. Sourced from single regions in Australia's premier wine regions, the Pewter series delivers a consistent and distinctive style.

With grapes sourced from a single vineyard in Coonawarra, South Australia, this wine displays a strong representation of the mint chocolate characters that cooler climate Cabernet's are renowned for. But we've added layers; with 15 months of oak maturation to add depth and complexity to the wine.
