COPPER SERIES

## *Sauvignon Blanc*

VINTAGE 2013

An innovative winemaking spirit and adherence to quality elevates the Copper Series to where modern style meets classic finesse. Made from traditional European varieties and blends, sourced from premium vineyards in Australia's premier wine regions, the copper series is hand-crafted with an Australian twist. Complete with eye-catching copper labels, these wines bring style and sophistication to every table.

The 2013 Adelaide Hills vintage was exceptional. The fruit was perfect and a true reflection of sound viticultural practices. Crafted in two stylistically different manners and blended harmoniously. A third of the wine was fermented in new French oak barrels, inoculated with a cultured yeast strain known as EC1118, fermented to dry it remained in contact with its lees for 3 months where it was stirred on a weekly basis. The remaining portion was tank fermented at low temperatures, to retain freshness, using aromatically specific yeast strains.

### Palate

Mouth filling with vibrant acidity, this wine has a beautiful balance between fruit intensity and oak sweetness. With a rich & structured palate, it begins with a portfolio of tropical fruit flavours which linger and finishes with a slightly creamy lees influence before sharpening into a spicy persistence.

### Aroma

A complex aroma of passionfruit & gooseberry fruit with light, well integrated spice from the oak.

### Cellaring

This wine is drinking well now and should be enjoyed while it is fresh.

### Region

ADELAIDE HILLS

### Varietal

SAUVIGNON BLANC

### Technical

PH: 3.16  
TA: 7 G/L  
RS: 2.8 G/L
