COPPER SERIES

Tempranillo

VINTAGE 2013

An innovative winemaking spirit and adherence to quality elevates the Copper Series to where modern style meets classic finesse. Made from traditional European varietals and blends, sourced from premium vineyards in Australia's premier wine regions, the copper series is hand-crafted with an Australian twist. Complete with eye-catching copper labels, these wines bring style and sophistication to every table.

The 2013 was a mixed bag! But as always we pick fruit according to quality and this Tempranillo is no exception. Structured and complex, this wine will amaze, especially given the time to breathe when opened. Old wood was used in the ageing process, with the hope and intention that the true fruitful nature of the variety shines through.

Palate

A fruit driven wine, with phenomenal balance. Structured, clean, yet funky as the variety demands. Plum fruit, tobacco and hints of leather dominate.

Aroma

Vanilla and plum accentuate on the nose, layered with herb and leather.

Cellaring

This wine is designed to be appreciated in its youth, however, will be captivating over the next decade.
