COPPER SERIES

Wilde Chardonnay

VINTAGE 2012

An innovative winemaking spirit and adherence to quality elevates the Copper Series to where modern style meets classic finesse. Made from traditional European varietals and blends, sourced from premium vineyards in Australia's premier wine regions, the copper series is hand-crafted with an Australian twist. Complete with eye-catching copper labels, these wines bring style and sophistication to every table.

Perfectly ripe fruit sourced from two of the great Chardonnay producing regions of Australia, after cold settling, the juice went through 100% barrel fermentation in French Oak. After fermentation, the lees were regularly stirred in over a 2 month period. The Chardonnay was then left to mature in oak for a further 4 months after bottle.

Palate

A Burgundian style Chardonnay; luscious, mouth filling & creamy with ripe stone fruit flavours, evident but not dominant.

A complex, layered wine with great persistent and length.

Aroma

Intense aromas of stone fruits, melon & citrus notes accompanied by rich oak characters from barrel formation.

Cellaring

This wine is drinking well now but will cellar for the next 5-10 years.
