COPPER SERIES

Cabernet Merlot

VINTAGE 2010

An innovative winemaking spirit and adherence to quality elevates the Copper Series to where modern style meets classic finesse. Made from traditional European varietals and blends, sourced from premium vineyards in Australia's premier wine regions, the copper series is hand-crafted with an Australian twist. Complete with eye-catching copper labels, these wines bring style and sophistication to every table.

The fruit for this wine was sourced from the Coonawarra and Barossa Valley regions to create a full bodied style. After harvesting, the fruit was crushed and chilled onto a 'must' tanker and transported to the Hunter Valley for vinification. This rich and flavoursome blend was matured in new and seasoned French oak barriques for 16-months to capture and enhance the complexities of these two varieties

Palate

A concentrated wine with flavours of blackcurrant, chocolate and mint. The fine tannin structure, subtle oak flavours and succulent fruit finish have given rise to a premium wine with great length, depth and persistence.

Aroma

Aromas of blackcurrant and chocolate are balanced by hints of tobacco and space from the oak.

Cellaring

This wine is drinking well now but will cellar for the next 5-10 years.
