PEWTER SERIES

## *Hunter Valley Semillon*

VINTAGE 2014

Pewter is our regal wine series, delivering a premium experience that embodies all that Tempus Two has to offer. All the varieties are sourced from single regions in Australia's premier wine-growing areas and the end result is magnificent, luxurious, artisan wine developed with love and care. Distinctive bottles, stamped pewter labels and crisp clean styling reflect the sophistication and confidence of the wines profiled in our Pewter Series.

Whether you're new to Semillon or a loyal fan, this is the wine for you. Stemming from the 2013 vintage's lack of labour for hand harvesting and the resulting 2013 Pewter Semillon's pure deliciousness, in 2014 we decided again to machine harvest our revered Blackberry vineyard. And what a decision it was to make! The fruit had a short trip to the winery on broken skin, a gentle attribute of the technological advancement in machine harvesting equipment. This short skin contact period enabled a delicate extraction from skin to juice of floral, citrus, flinty flavour compounds. The wine was then fermented with a neutrally aromatic Champagne yeast strain to preserve the juice's fruit purity, after which it was lightly fined, filtered and bottled.

### **Palate**

Delicate, feminine and fresh this wine is complex and showcases Semillon's classic characters of ripe lime and pear. There is a perfect balance between the acidity and fruit flavours.

### **Aroma**

Lifted floral nuances of orange blossom layer toward the underlying citrus backbone; dominated by characteristic ripe lime and lemon.

### **Cellaring**

This wine is drinking superbly now. As all great Hunter Semillons it will benefit from ageing; however we strongly suggest sharing this wine in its youth so you may track its transformation from floral fresh to honey toast over the next 10 years.

### **Region**

HUNTER VALLEY, NSW

### **Varietal**

SEMILLON

### **Technical**

PH: 3.07  
TA: 7.33 G/L  
RS: 1.7 G/L  
SO2: 40/124 PPM  
ALC: 12.0%

### **Winemaker**
