COPPER SERIES

Maestri

VINTAGE 2014

An innovative winemaking spirit and adherence to quality elevates the Copper Series to where modern style meets classic finesse. Made from traditional European varietals and blends, sourced from premium vineyards in Australia's premier wine regions, the copper series is hand-crafted with an Australian twist. Complete with eye-catching copper labels, these wines bring style and sophistication to every table.

The Italian grape variety Maestri, has been harvested and made into wine since Roman times and is known for its soft, fresh, easy drinking style. Intensely coloured with definitive blueberry and blackberry aromas, this wine was crafted with intention to retain fruit intensity and has therefore not undergone oak aging throughout the winemaking process. The wine may be served at room temperature or, even a little more risqué, straight out of the fridge.

Palate

Balanced fruit sweetness, dominated by blue fruits, with a lively fresh finish.

Aroma

Floral violet notes dance over a nose dominated by blackcurrant and sweet chocolate.
